

PUBLIC NOTICE
U.S. ARMY ARMOR CENTER GARRISON AND FORT KNOX
HARDIN COUNTY
RENEWAL RCRA HAZARDOUS WASTE MANAGEMENT STORAGE PERMIT
TENTATIVE DECISION
EPA ID #: KY6-210-020-479, AI#: 1642

The Kentucky Energy and Environment Cabinet (Cabinet), Division of Waste Management (Division), has tentatively decided to renew U.S. Army Armor Center Garrison and Fort Knox's Hazardous Waste Storage Permit to continue operating a hazardous waste storage facility located at 2949 Frazier Road in Fort Knox, Kentucky. The project contact person is Linda G. Pollock and can be contacted at 502-624-3629.

Why does the U.S. Army Armor Center and Fort Knox need to renew their permit?

The Division issued a hazardous waste management permit to the facility effective September 28, 1986, to store ignitable, corrosive, reactive, and toxic waste in containers. The permit includes five storage bays with a maximum combined capacity of 6,800 gallons. The only hazardous wastes that may be stored at this facility are those generated on-site from the manufacturing processes. No hazardous wastes from off-site may be accepted. The permit fulfills permitting requirements of the Resource Conservation and Recovery Act.

How can I tell the Division what I think about this tentative decision?

The Cabinet encourages public involvement and welcomes comments. Anyone wishing to comment on this tentative decision should submit comments to the Cabinet on or before July 10, 2009, the close of the public comment period. Electronic comments should be submitted to Kelly Neal at kelly.neal@ky.gov or mailed to: April Webb, P.E., Branch Manager, Hazardous Waste Branch, Division of Waste Management, 200 Fair Oaks Lane, 2nd Floor, Frankfort, KY 40601.
